Magnetic field strength meter MFM 200

to measure DC and AC magnetic fields

Technical data:

Art. no.:	B1 L
Measuring range:	0-200 A/cm
Display:	digital LCD
Accuracy:	± 2%
Power supply:	9 V battery
Operating time with one battery:	app. 60 h
Weight incl. probe:	0,3 kg
Tangential field probe:	1,5 mm thick
Scope of delivery:	<ul style="list-style-type: none">▪ MFM 200▪ Tangential-field probe▪ Calibration standard▪ Case
