

Plastic Case Solenoid Switches

Standard Unit Selection Guide **Type SAZ, SBC, and SBJ Plastic Case Solenoids**

AMETEK Switch Type SAZ, SBC, and SBJ Solenoid Switches are designed to switch inductive loads in DC circuits up to 48 volts. The one-piece molded case is highly resistant to dust and moisture, making these solenoids suitable for controlling a wide variety of loads.

Applications

- Engine Starting Motors and Shift Solenoids
- Hydraulic Pump Motors
- Diesel Engine Air Intake Heaters
- Marine Tilt/Trim Motors
- Winch Motors
- Traction Motors
- Auxiliary Power Circuits
- Many Others

Construction/Performance

- Plastic, Water-Resistant Case (IP67)
- 6 to 48 VDC Inductive Loads
- Leaf Spring Contact Design (SAZ and SBC only)
- SPST-NO Contacts
- Continuous and Intermittent Duty Coils
- Short Case - Type SAZ
- Medium Case - Type SBC
- Tall Case - Type SBJ
- Up to 200 Amps Continuous

AMETEK Plastic Case Solenoid Switches

AMETEK Switch offers a wide range of standard designs and will also custom design solenoids to meet specific customer requirements. Additional standard designs are available if you don't see what you need below. For application assistance and detailed technical specifications please contact AMETEK Switch or visit our website.

Selection Guide

Standard Features

- Plastic Case Construction
- Terminals Molded into the Case
- 60,000 Cycle Electrical Life
- Terminal Hardware Available
- IP67 Certified

Standard Designs -Type SAZ, SBC and SBJ

Codes and Abbreviations

Current Ratings			
Volts	Inrush	Break	Type
12	600	200	SAZ, SBC, SBJ
24	600	200	SAZ, SBC, SBJ
36	600	200	SAZ, SBC, SBJ
48	200	200	SBJ
48	0	75	SBC

Terminal Hardware	
To receive terminal hardware, add one of following suffixes to part number :	
-1	Hardware on terminals
-2	Hardware bulk-packed
-3	Special hardware

Coil Duty			
Code	Type	Duty Cycle	Max "On" Time
I	Intermittent	25%	2 Minutes
HDI	HD Intermittent	25%	10 Minutes
C	Continuous	100%	N/A

Optional Features	
A	Special Assembly
C	Circle Potted Coil
F	Diode on Coil
G	Shock-Mount Baseplate
M	Marinized to SAE-J1171
P	Potted Coil Leads
S	Stainless Steel Plunger Pin
T	Stainless Steel Baseplate
U	UL Certified
