

**DM - Dimicron**

Part no.: 3115180

Product description: N15DM010

| Characteristic                | Value / Characteristic / Information |
|-------------------------------|--------------------------------------|
| By-pass                       | no by-pass                           |
| Customer protection           | without custom. protection           |
| Element material              | Dimicron                             |
| Filterfeinheit                | 10 µm                                |
| Further characteristics elem. | no further details                   |
| sealing material              | FPM (Viton)                          |
| Size                          | 15                                   |
